

Pacific County Fire District #1 2020 EMS Levy Fact Sheet

This fact sheet is designed to provide residents of Pacific County Fire District #1 with facts and information about the upcoming Emergency Medical Services (EMS) measure.

1. Q: Is the EMS levy a new tax?

A: No. The Fire District #1 EMS levy has been in place since 1986 and is simply a renewal of the existing levy.

2. Q: What is an EMS levy?

A: An EMS levy provides funding dedicated to pre-hospital medical care service and is governed by State law (RCW 84.52.069).

3. Q: What pre-hospital medical services are provided through the EMS levy?

A: Services that Fire District #1 provides include:

- 24 hour a day Paramedic service, with immediate response from staffed stations, one in Ocean Park and the other in Seaview
- Emergency and non-emergency ambulance transport
- Initial and on-going medical training for Fire District #1 Emergency Medical Technicians and Paramedics
- Public assists (helping move a disabled person)
- Public education (CPR / First Aid classes, Fall Prevention)
- Injury prevention (Car seat installations, free bicycle helmets)
- Special event medical stand-by
- Blood pressure checks at Ocean Park and Seaview stations

4. Q: What is the overall amount of funding requested?

A: This measure requests authorization to levy fifty cents per one thousand dollars of assessed valuation. For example: If your home is valued at \$100,000, your annual tax would be \$50 or \$4.17 per month.

5. Q: Is this a permanent levy?

A: No. The EMS levy is a six-year levy.

6. Q: Does my Senior Citizen/ Disability Exemption apply to fire district levies?

A: Maybe. It depends on your income and the assessed value of your property. For more information regarding your specific property see the Assessor's web site at www.co.pacific.wa.us/assessor or call the Assessor's Office at 642-9301.

7. Q: Does Fire District #1 bill for service even if you are not transported?

A: No. Fire District #1 only bills for service if you are transported by ambulance.

8. Q: How much does an ambulance transport cost?

A: If you are transported by an ambulance, you are charged a user fee, which is based upon the level of care you received during the trip, plus mileage to the hospital. Below is a table illustrating the (2019) billing rates for ambulance providers in Pacific County.

Fee Level	Fire District #1	Medix Ambulance	NPCEMS*
Non-Emergency	\$350	\$1,500	\$800
