**BURNING IS AUTHORIZED SUBJECT TO THE FOLLOWING CONDITIONS:**

1. Pacific County Fire District 1 must be notified at the start of every burn day before the fire is ignited. Please call 665-4451 to provide the following information: permit number and location of burn.
2. The fire may contain only natural vegetation, in a pile not to exceed 10' x 10' x 10'.
3. Burning may take place **only** Monday through Friday and **only** during daylight hours on days with little or no wind.
4. A buffer of 20 feet from tall grass, debris piles, small trees and overhanging branches must be constructed around the pile to be burned before lighting fire.
5. Fires are not permitted within 50 feet of any structure or 100 feet from any structure with a cedar roof.
6. The fire must be attended at all times by a person capable of extinguishing the fire. If the fire creates a nuisance and/or health hazard, it must be extinguished.
7. Water is required from a pressurized source (i.e. municipal water system, well pump, etc.) with delivery capability to 25 feet on all sides of the burn pile.
8. Where a water source is not available, permit holder will make arrangements to provide the necessary pressurized water.
9. A valid Special Burn Permit must be signed and available for review at the burn site. Failure to follow the rules of this permit could result in fines or penalties and the cost of extinguishment.

*I have read and understand the requirements of this Special Burn Permit. If I do not abide by these rules, I understand I will be liable for costs incurred by the fire protection authority called to respond to, control, or extinguish an illegal or out-of-control fire, pursuant to WAC 173-425-060(6).*
