They fund equipment and properties. The terms are better than the local banks. The interest rate is 4.04% for October. Our project total cost

for the training property is approximately $1.743 million. Our local contribution has been $227,235.70; this includes Gibbs & Olsen, the property purchase, and other improvements such as the road and gravel. The useful year of this project will be 50 years, and we are shooting for a March 2024 issuance. We are requesting $1.516 based off of the engineer's estimate that we received. If we file the intent, there is no obligation. The goal would be to apply by the end of November for construction in April.

He stated that he recommends moving forward on this intent and credit application.

MEETING DATE: November 21, 2023

AGENDA ITEM (to be completed by the office): NEW BUSINESS # 2

SUBJECT: Radio Frequency Coordination

REQUESTOR: AC WEATHERBY

COST (including tax): $6,200.00

SUMMARY: PCFD1 participated in a radio study with PACCOM in 2023. In the study, the lack of frequencies was cited as a barrier to splitting the Fire Dispatch into North County and South County. Additionally, having repeated tactical channels met the same barrier. I spoke to the board in the August 2023 meeting about making an application to the FCC for three additional pairs of frequencies. The application is complete with the FCC. The application licenses all the frequencies to all the transmit sites we use in South Pacific County. The new frequencies are "owned" by PCFD1. We can choose to use an interlocal agreement to "share/use" these with neighboring departments while still maintaining ownership. This application for frequencies and site licensing cleans up current sites and frequencies and covers future use. The only future modification anticipated will be for the Oysterville Tower if Pacific Co. Public Works moves to increase the height. We can't get a license for future development. The frequency coordinator states they will provide the requested frequencies form their pool. If they cannot provide from the coordination pool, another pool may be accessed. This may add an additional cost of approximately $1,200.00 to the license fee.

This has been the single largest barrier we faced in enhancing our radio communications network to fulfill our needs at PCFD1. These frequencies will allow a South County Dispatch frequency and 3 repeatable/recorded tactical channels. The hardware to utilize these frequencies is not included in the proposal. These frequencies will address future needs for the next 20 years.

I would like to note that FF/EMT Sam Burton has worked with the FCC on this project and completed the application for PCFD1 and deserves special mention.

RECOMMENDATION:

I recommend authorizing the filing of the attached FCC Application for Radio Service Authorization: Wireless Telecommunications Bureau Public Safety and Homeland Security and paying the invoice for the FCC licensing application (approximately $6,200.00 awaiting invoice).

COMMISSIONER'S MEETING
AGENDA ITEM INFORMATION

MEETING DATE: November 21, 2023

AGENDA ITEM (to be completed by the office): NEW BUSINESS # 3

SUBJECT: Audio Visual Equipment for Meeting Rooms

REQUESTOR: AC WEATHERBY

COST (including tax): $7,266.24

SUMMARY: The power point projectors at each meeting room are failing. The technology is old and in need of replacement. With the development of large flat screen televisions, wall mounts, and wireless technology, PCFD1 can provide a better learning and meeting room experience. The proposal intends to install an 85 inch main screen, two 55 inch side screens, computer, and wi-fi router at Station 21-1 and the same (less the additional 55 inch screens) at Station 21-2 meeting rooms. PCFD1 received a $7,000 grant from the Rural EMS Quality Improvement Project and have approved this as an appropriate use. Cost includes the labor to network new equipment. See attached equipment list.

RECOMMENDATION:

I recommend authorizing purchase of listed equipment to upgrade meeting room/classroom audio visual equipment and networking integration costs from various vendors not to exceed $7,500.00 including sales tax.

AGENDA ITEM (to be completed by the office): NEW BUSINESS # 4

SUBJECT: Rescue 21-91 and Rescue 2192 Tires Purchase

REQUESTOR: AC WEATHERBY

COST (including tax): $4,433.92

SUMMARY: Rescue 2191 and Rescue 2192 need replacement tires. The tires are greater than ten years old and beyond service life. A tire has failed and we do not have anymore spares in stock. The cost is higher than normal for the following reason. The rescues currently use 16.5 inch wheels. 16.5 inch tires are not standard size and must be special ordered. The cost proposal includes new 16 inch wheels and tires.

RECOMMENDATION:

I recommend purchasing the 8 new wheels and tires from Point S Tire in the amount of $4,433.92 for Rescues tire replacement

AGENDA ITEM INFORMATION

MEETING DATE: November 21, 2023

AGENDA ITEM (to be completed by the office): NEW BUSINESS # 5

SUBJECT: Floor Heat Hot Water Unit

REQUESTOR: AC WEATHERBY

COST (including tax): $ 3,077.61

SUMMARY:

The propane hot water unit that heats the floor for St 21-2 Apparatus bay failed. The Bosch unit nearly caught the station on fire. We have been without heat in the bays since the failure. We have two estimates from Active Enterprises. Est. 1 is a used hot water unit of the same brand that failed and that we have had issues with. The second estimate is for a new model and is more efficient.

The difference in cost is based on the new vent and valve installation needed.

RECOMMENDATION:

I recommend authorizing the purchase and installation of the Rinnai Tankless Water Heater by Active Enterprises in the amount of $3,077.61.

Service	Unit Price	Qty	Total
Labor - Service Call	$121.00	1	$121.00

Replace burned up water heater in fire station.
We are proposing a slightly used unit that has seen little to no usage. The reason we are proposing this unit is because if we replace with a brand new one we will have to replace all venting which will get a lot more expensive and a new unit will cost an additional $800
