### Old Business:

1. Brush Truck Repair

Commissioner Hill stated that the emergency increase request to repair the brush truck was approved via email, and approval was needed to formally approve the increased cost of the repair.

Commissioner Downer made a motion to ratify the informal approval of the emergency repair to the brush truck, seconded by Commissioner Long. Motion carried.

### New Business:

1. Contract Documents for the 168th Property

AC Weatherby explained that we are still on schedule for the project deadlines. Gibbs and Olson has provided us with a draft the contract document.

Discussion ensued regarding sending the contract to legal and execution of the final contract.

AC Weatherby explained that he would like to get the project out-to-bid by April 2<sup>nd</sup>. Most of the language is boiler plate from the RCW language. The project does need to be published in the paper of record. He explained that there are two options; 1. Send the contract to Snure with approval pending language or 2. Setup a special meeting once Snure has reviewed the contract for final approval.

The Board agreed that they would like to meet to discuss the attorney-reviewed contract before approval.

### 2. Levy Lid Lift Discussion

Chief Brundage stated that there was a discussion at the commissioners conference regarding help with staffing levels. We see that increased staffing is needed with the current number of calls. We were previously informed that building a new station would be approximately \$13 million. Because of this, we are working on setting up Surfside so that we could staff a crew up there. This would help decrease call times in both Ocean Park and Surfside.

The District Secretary stated that we have two options to run a lid lift. To run in the primary election, the ballot measure resolution is due by May 3<sup>rd</sup>. For the general election, it is due by August 6<sup>th</sup>.

The Commissioners agreed that they would rather run the lid lift in the primary.

Chief Brundage stated that he will prepare numbers for the March meeting. This will give us time to contact Snure for language, and the resolution will be ready for April to meet the May 3<sup>rd</sup> deadline.

### District Chief's Report: See attached report.

- 1. AC Weatherby's Report See attached report.
- 2. AC DeConto's Report See attached report.
- 3. Pub Ed Coordinator Karvia's report See attached report.

### Commissioner's Reports

- 1. Tom Downer He stated that he will be attending the next meeting via telephone.
- 2. Fred Hill None.
- 3. Dennis Long He has learned that PACCOM has issues that have existed for a long time. Two of the dispatchers have had over 500 hours of overtime in a year. They are frazzled, and this problem needs to be fixed. This will take time, but the problem is being worked on.

### Personnel Information: None

### Good of the Order:

Chief Brundage extended kudos to our members who showed up to the Ilwaco fire. It was long, and they stayed until the end. A lot of people have provided input, and we are going to have our own in-house after-action. He stated that he is looking forward to the training property so that our firefighters have more opportunities to train for an incident this size. He stated that he appreciates that the Board is willing to move forward on the 168<sup>th</sup> property project.

AC DeConto added that he wanted to thank Chief Brundage for his leadership during this fire and for keeping them safe.

Ilwaco Fire Chief Archer stated that he would like to echo what AC DeConto had to say plus thank Chief Brundage for help with the after-action review.

### COMMISSIONER'S MEETING AGENDA ITEM INFORMATION

MEETING DATE: March 19, 2024
AGENDA ITEM (to be completed by the office): New Business #1
SUBJECT: WA State Auditor's Office Interagency Data Sharing Agreement
REQUESTOR: District Secretary
COST (including tax):
SUMMARY:
In September of 2021 we signed this Data Sharing Agreement per Brian Snure. He had discussed a change with the SAO that was agreed upon.
The SAO is now needing an update on this agreement due to modified language based off of feedback from the last DSA. I did notice that the language that was modified in our agreement previously has switched back to the original language.
The old agreement plus the email string including Snure and the SAO is included in this packet along with the new agreement plus email from the SAO.
RECOMMENDATION:

Hello .

Your original DSA was slightly modified, so I have attached your 2021 and your new 2024 DSA for comparison. Our agency took a lot of the feedback from our last DSA and changed stuff to accommodate many of the requests for changes. I have sent you our new revised original version. If these changes are not satisfactory and you would like to make more modifications, please let me know. I can send you a word version of the DSA that you could note changes you'd like, and then I would send it back through our review committee. I am happy to that if you feel necessary after reviewing our newest version.

Could you please review and coordinate the signature of this document?

Under a bill passed by the Legislature in 2021, data sharing agreements (DSAs) are required for all state and local governments sharing data. This includes the data we exchange for your audits. For your reference, the legislation requiring DSAs is <u>ESSB5432</u>, "Concerning cybersecurity and data sharing in Washington state government."

Our modified DSA agreement with you will be expiring soon.

I have attached the DSA our Office would like to complete with your government. We have made some revisions to our previous agreement, to add or modify the following elements:

- References to state law (42.40 RCW and 43.101 RCW) in the introductory paragraph as well as sections describing intended use and constraints
- Language that enables SAO to share confidential information with you. (Purpose, Data Storage, Oversight, Non-disclosure, Termination)
- 'Audit results' to description of data
- 'Using encryption' to data storage and handling
- 'Non-disclosure' now indicates 'confidential'
- Three new sections, covering Data Disposal, Incident notification and response, and Awareness and Training

Please let me know if you have any questions or would like to schedule a time to discuss the agreement.

Sincerely,

# India Gonzalez Administrative Assistant, Office of the Washington State Auditor (425) 510-0497| Pronouns: her,she Want a meaningful job and a balanced life? Go to sao wa.gov/jobs to see our openings.

Re: Pacific County FD#1 Questions Re: SAO Data Sharing Agreement

This response is just regarding the SAO data sharing agreement, I will follow up on the other questions in your email in a separate email.

You will need to enter into the Agreement with the SAO but should wait for a revised Agreement. I have copied Tina Watkins from the SAO on this email and your local office and they can provide you the revised agreement outlined below.

Following a number of discussions with Tina Watkins from the SAO, I have come to an agreement with the SAO regarding my objection to the language in Section 8 of the Data Sharing Agreement. The revision is to the first sentence in Section 8.

The original language which we objected to (because it created a duty and arguably transferred liability to the District if the SAO disclosed your confidential data) stated:

"Agency will notify SAO if they are providing confidential data."

The revised language will now state:

"SAO expects Agencies to identify confidential data when provided."

believe this a reasonable compromise as it addresses our initial concern while also accommodating the SAO's desire to have agencies identify confidential data when provided.

Let me know if you have any questions of if you do not receive an updated Data Sharing Agreement within a couple of weeks. Once you receive the revised version with the updated language in Section 8 that version is approved as to form and you may proceed with signing.

Please let your local auditor know that I appreciated the SAO's willingness to work through this issue in a professional and timely manner.

Thanks.

Subject: New law requires data sharing agreements

Hello Jamie,

Under a bill passed by the Legislature this year, data sharing agreements (DSAs) will be required for all state and local governments sharing data. This includes the data we exchange for your audits. For your reference, the legislation requiring DSAs is <a href="ESSB5432">ESSB5432</a>, "Concerning cybersecurity and data sharing in Washington state government."

The Office of the State Auditor has used DSAs with some state agencies, but less frequently with local governments. The good news is that these agreements will formalize all the steps we take to protect data, without requiring changes to our existing practices.

We are working to implement DSAs for all audit data shared as of July 1. Attached is the DSA our Office would like to complete with your government. Please sign and return as soon as possible.

Please let me know if you have any questions or would like to schedule a time to discuss the agreement.

Sincerely,

SUBJECT: Portable Radio Purchase

**REQUESTOR: Mike DeConto** 

COST (including tax): \$13,614.55

SUMMARY: Our current portable radios were purchased in 2013 and are showing their age. While they are still functional, they require increased maintenance & replacement parts. The purchase of 10 radios will allow for:

- 6 Portable Radios at Station 21-1 to be issued when crew members report for their assigned shift.
- 2 Portable Radios at Station 21-2 to be issued when crew members report for their assigned shift.
- 2 Portable Radios available for Station 21-3 as we anticipate future staffing needs of that station.

The additional items in the quote complete the radios with optional speaker mics, belt clips, antennas, and charging stations for the bunk rooms. A 6-bank charging station for the duty office of Station 21-1 is also included.

The existing portable radios will be distributed to the apparatus in charging stations that are already in place.

# COMMISSIONER'S MEETING AGENDA ITEM INFORMATION

MEETING DATE: March 19th, 2024
AGENDA ITEM (to be completed by the office): New Business #5
SUBJECT: Memorandum of Understanding between PCFD#1 and South Pacific County Professional Firefighters IAFF Local 3999
REQUESTOR: Chief Brundage
COST (including tax):
SUMMARY:
This MOU would allow union members in paramedic school to be reimbursed for any out-of-pocket expenses (tuition, books, travel, lodging) related to paramedic school.
In return the paramedic will maintain employment with PCFD#1 for at least 2 years.
RECOMMENDATION:

## Memorandum of Understanding By and Between

Pacific County Fire District #1 and South Pacific County Professional Firefighters IAFF Local 3999

Background: Pacific County Fire District #1 (District) and South Pacific County Professional Firefighters IAFF Local 3999 (Union) seek to collaborate in a good faith effort to support professional development for current Union personnel in seeking advancement to Paramedic level EMS certification.

#### **Section 1: Implementation**

Effective March 1, 2024, the District will support Union members by further defining compensation and school-related reimbursements for Union members attending Paramedic school.

#### Section 2: Paramedic School Reimbursement

#### Section 2.1: Paramedic Expense Reimbursement

Upon approval of the Fire Chief, the District shall reimburse Union members for any out-of-pocket expenses for tuition, books, travel, and/or lodging related to attending Paramedic school/training. Lodging will be reimbursed, upon prior approval of the Fire Chief and recommended by the institution conducting the Paramedic school/training.

Reimbursement of expenses is contingent upon the employee committing to maintain employment as a Paramedic for at least two (2) years from the date of State Paramedic issuance. The agreement will be in writing, approved by the District, Union, and employee. If an employee breeches the contract, prior to service two (2) years as a Paramedic, they will be responsible for reimbursing the District the expenses they were originally reimbursed.

#### Section 2.2: Paramedic Training Compensation

While attending Paramedic training in person, such as a "practical boot camp" or other preapproved training, the employee will be paid the standard overtime hours for actual hours worked. Per diem shall be provided, if meals are not provided during training, per District policy. Overtime and per diem expenses are not subject to reimbursement under the two (2) year service as a Paramedic agreement mentioned in Section 2.1.

In the event the training is conducted on an employee's regularly scheduled shift, they will not be required to take accrued leave to attend training. Compensation for training on a regularly scheduled shift will not be reduced, nor is it eligible for overtime.

#### Section 3: Scope

This agreement is in no way meant to change or modify the IAFF Local #3999 Collective Bargaining Agreement other than what is agreed upon by this or a subsequent and/or companion agreement. This agreement is only meant to define reimbursement and compensation for members attending paramedic school.

- claims arising from the sole negligence of the other party, its agents, employees, and/or officers. No liability shall attach to either party by reason of entering into this Agreement except as expressly provided herein.
- 7.2. The foregoing indemnity is specifically and expressly intended to constitute a waiver of NMRFA's immunity under Washington's Industrial Insurance Act, RCW Title 51, as respects to Hospital. The parties acknowledge that these provisions were specifically negotiated and agreed upon by them.

- 14.6. Modification. This agreement represents the entire agreement between the parties. No change, termination or attempted waiver of any of the provisions of this agreement shall be binding on either of the parties unless executed in writing by authorized representatives of each of the parties. The agreement shall not be modified, supplemented or otherwise affected by the course of dealing between the parties.
- 14.7. Benefits. This agreement is entered into for the benefit of the parties to this agreement only and shall confer no benefits, direct or implied, on any third persons. The duty of the District to provide ambulance services under the provisions of this Agreement is a duty owed to the public generally and by entering into this Agreement, the District does not incur a special duty to Ilwaco or its patients..
- 14.8. Litigation. In the event of litigation concerning the terms of or performance under this agreement, the prevailing party, in addition to costs, shall be entitled to reasonable attorney's fees as determined by the court.

## PACIFIC COUNTY FIRE DISTRICT #1

### Commissioners Meeting Report March 19, 2024

# Assistant Chief of Administration Brad Weatherby

### Apparatus:

- 1. New Medic in service Wheeled Coach Medic in surplus process
- 2. Remount 2024 Chassis are still available. I have discussed a commitment for a 2024 chassis to remount the Dodge with delivery in Jan. 2025. Waiting for proposal from Braun.

### Facilities:

- 1. Mini-Split Issues During electrical inspection L and I Inspector found improper permitting and installation code violations. A Mechanical permit was required. An Electrical permit was required for connection from interior unit to exterior unit. These are in process and will require additional funds to remedy. Mechanical permit is \$355.00 to Pacific County DCD. I am waiting for electrical and HVAC install quote from Ford Electric to remove and replace. An HVAC contractor is required to remove and replace the R-32 refrigerant when reinstalling to code.
- 2. Mr. Snure has been sent the Gibbs & Olson contract language for review on 2/21/2024. It has not been sent back to us yet. It will require a special meeting now to adhere to the State Treasurers Local Program timeline.
- State Treasurers Office Local Program requires a meeting the first week of April 2024 to finalize
  process. Does the Board want to have representation at the meeting? I will confirm time and
  date when available.
- 4. Starting work on the Surfside Station Bid Specifications and Permitting
- 5. Radio System We have met with PACCOM Administration Board to discuss PACCOM structure.

I have a commitment from Nick Milton PCDPW who provides the radio technical expertise to split North County and South County Fire/EMS Dispatch frequencies. We are setting up a test make sure coverage is at least the same or better for a new frequency. The new frequency will be repeated; initial arriving units will have their traffic repeated. Dispatchers will no longer be required to relay radio transmissions on Dispatch frequency (ie size up, next arriving unit assignments).

Pacific County application for 3 new pairs of frequencies has been approved. Pacific 1 now has 4 repeatable radio channels. An agreement will need to be made with PACCOM to allow them to use for public safety in South Pacific County to make use of tower, microwave, high speed internet, electrical power etc. An agreement would allow PCFD1 to maintain ownership but allow use under an agreement.

PUD has agreed to allow Pac Co a 200' tower be built at the Oysterville Substation property.
